

# Parent Involvement Program

## 2017-2018 Pledge Form

With a school of our size, we need every family to volunteer their time and talents. The Parent Involvement Program allows for adequate staffing of PTO sponsored events and other programs that benefit our school while helping to keep tuition costs down. It also helps create a family atmosphere that makes Saint Benedict special.

All school families are required to perform service each year. Any parent, legal guardian, grandparent, or immediate family member over 18 years of age may volunteer in fulfillment of this obligation. These hours can be fulfilled by serving as a classroom room representative, working at the upcoming Saint Benedict Oktoberfest, soliciting items for our Spring Gala, attending PTO meetings, helping with lunch service, and plenty of other ways!

There is a fee of \$40/hour for unfulfilled hours. The fee is assessed January 1 for the first semester and June 15 for the balance.

Service Hours are tracked in RenWeb and each family is responsible for recording the hours they perform in ParentsWeb.

There are two options for meeting the service requirement.

### **PTO SUPPORT OPTION**

Our family commits to perform 20 hours of service, at least 8 of which must be performed in the first semester.

### **BUYOUT OPTION**

Our family commits to perform 5 hours of service and to pay \$500.

I understand that we will be assessed a fee of \$40 per hour for any unfulfilled hours and that we are responsible for recording hours in ParentsWeb. I further understand that volunteering with or near children requires completion of VIRTUS and background screenings.
